Deposit Guarantee Fund

Deposits made to Banco Finantia S.A. benefit from the reimbursement guarantee provided by the Deposit Guarantee Fund whenever the deposits become unavailable due to reasons directly related to its financial situation.

The Deposit Guarantee Fund guarantees reimbursement up to a maximum value of €100,000.00 for each depositor, whether or not the depositors are resident in Portugal and the deposits are expressed in national or foreign currency.

To calculate the value of the deposits of each depositor, the value is considered to be the total of the deposit accounts on the date on which the payment by the Institution is found to be unavailable, including interest; the balance of deposits in foreign currency is for the purposes converted into euros, at the exchange rate on the aforementioned fixing date of the European Central Bank.

The reimbursement must take place within a maximum of (i) of seven days, for a tranche of €10.000,00 of all the deposits covered, and (ii) fifteen working days, for the remaining, counted from the date on which the deposits become unavailable, in accordance with applicable legislation. This term may be extended in absolutely exceptional circumstances and on an individual basis, for a period not exceeding ten working days.

Key: D: Day of carrying out the transaction / **ATM:** Automatic terminal

Note (1) Are not considered bank deposits the deliveries of sums, at the branch, ATMs without instant checking facility, or day or night safety deposit boxes, where the person delivering the sums waives against the instant inspection by the depository, or also the collection of sums from Customers and other deliveries in which the depository does not make a prompt checking. In these cases, the deliveries or collection of sums shall be considered deposits after checking and certification by the CI, which must check and certify the deliveries or collection of sums as soon as possible, within a period not greater than twenty-four hours, except in exceptional circumstances.

Note (2) In the case of a charge for a cheque on a foreign bank, the date from which the deposit shall be effective shall be the date of receipt of the funds by Banco Finantia.

Note (3) For transactions commenced until 15:00 of the same day. If the transaction is commenced later, the value date shall be one working day later. If Banco Finantia is the originator's bank, the credit value date and the availability date must be considered the most probable dates, since the Bank cannot commit to the credit and availability dates to be attributed by the beneficiary bank.

Note (4) Urgent transfers are subject to authorisation

Value Dates (continued)**Duty of Information**
